

# GARDEN CLUB

## Bees and Other Insect Pollinators

Monday January 30th from 3:45 to 4:45

(Lines Multi-Purpose Room)

Garden Club is offering its second workshop to all 3<sup>rd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> grade boys and girls. It will be hosted by Crabtree Nature Center and the cost is \$5 fee per student for this workshop (limit of 25 students).

### *Bees and other Insect Pollinators*

We will learn about bees and why pollination is so important. We will also learn how bees communicate and do a “bee dance” and everyone will get the chance to taste some honey.

Please make your check payable to Lines PTO. Deadline is Thursday January 26. Please send the form and the check to school with your child.

Questions? Contact Beth Adler, Lisa Blakeslee, Nadine Mannello or Christine Halvey
